

Public Education Appropriations Subcommittee
February 5, 2021
9:15 am

Description of Funding Item:

1. Provide equipment.
2. Educational courses.
3. Part-time instructors
4. Scholarships
5. Equal access for rural districts.

Purpose

1. Funding to attract high school students to IT and CS courses
2. Retain careers in the state of Utah, to address job deficit in the state.
3. Promote CS/IT career pathways.
4. Promote equitable access to technology and instructors for rural and smaller school districts, including remote access for participants where necessary.

Performance Measures: ITeam USA EDUCATIONAL COURSES FOR IT/CS JOB DEFICITS IN UTAH

1. Exposure to the six components of ITeam USA.
2. Program has been proven in Alpine School District
3. Program success can be quantitatively measured by the following:
 - a. Number of participants in the organization.
 - b. Number of school districts participating in the state.
 - c. Surveying former students and advisors about further educational enrollment and/or job placement.
 - d. Increased gender and racial diversity in enrolled in these courses.
 - e. Social engagement of students participating in various engagements and outreach activities.

School Districts participating:

Alpine	Logan	Washington
Davis	Tooele	
Jordan	Park City	
Canyons	Nuames
